Footwear

The school expects students to follow Department of Education and Training Policy and the Occupational Health and Safety Act 2000, and the determination of its own Work Health and Safety committee by wearing **enclosed leather, lace-up, buckle or velcro fastened shoes**. They **must cover the whole top of the foot** and have a low heel. **Students must not wear skate shoes, black soft ballet style shoes, open top Mary-Jane shoes, canvas/synthetic or similar material type shoes**. If you are not sure what footwear is acceptable then please consult the school before buying new shoes. A salesperson at a shoe shop will not necessarily give you the correct advice in terms of approved school styles. Please check with the school.

These styles of shoes are **ACCEPTABLE FOOTWEAR** – they are all black, they cover the whole top of the foot and they are all leather

These styles of shoes are UNACCEPTABLE FOOTWEAR – they are either made of canvas, or are synthetic and/or they do not cover the whole top of the foot, have ‘holes’ in the top of the shoe, and/or they are not black.

Note –Students who may have a medical condition that requires them to have special footwear should produce a statement from their doctor to that effect.
