## FINLEY HIGH SCHOOL

### Record Breaking Carnival

The Athletics Carnival held on Tuesday 18th May was characterized by beautiful weather and outstanding levels of participation by students and teachers. Tuppal won the carnival for the first time since 1995 so congratulations to the masses in yellow. You should be very proud of yourselves, as there was stiff competition throughout the day.

A thank you is extended to the many parents who came to watch their children participate.

Every year Ken and Rick Gardiner come to help us run the carnival. Their expertise is invaluable so a special thank you is extended to them.

Many teachers took part in the teacher/ /student relay, which was a memorable way to finish the day. Who knew Stuart Martin had the legs of a cheetah? There was also sturdy representation from those over 50, so well done!

There were many records broken on the day, all of which reflected a tremendous effort on the part of students.
