17 Presentation Night 7pm-8:45pm

20 Last day of Term 4

New School Uniform

It brings me great pleasure to introduce our new school uniform to take effect from 2020. The process of introducing a new uniform began many weeks ago with discussions between staff, students and our P & C. Once it was determined we needed a new uniform a committee was formed and I can proudly say that the student voice was the one we listened to the most. As the Principal I was determined to present a uniform that brought about school pride, was comfortable yet smart and was not too costly. Can I especially thank all those on the committee for their support and time to ensure we could roll out such a great uniform. To all those parents and students who have approved the uniform, thank you for your confirmation that we have made the right decision.

An information note and order form was sent home with students today. If you have not received this please let us know.

Principal's Report

Proud and Deadly Aboriginal Awards

I, along with Mrs McNamara and Miss Miaoudis, were fortunate to attend the Deniliquin Proud and Deadly Aboriginal Awards in Deniliquin this week. It was a fantastic event focusing on Aboriginal students and their wonderful achievements. I was immensely proud of the students who attended and the way they conducted themselves. A full list of award winners can be found on page 6.

World Teacher's Day

Last Friday the 25th October we celebrated World Teacher's Day, where we recognised and celebrated our teachers and the role they play in shaping the next generation of young Australians. I thank the STOMP team lead by Mrs Brown who put on breakfast for the staff, it was fantastic to be recognised.

Message from Mrs Brown.

We are very lucky here at Finley High to have passionate and dynamic educators!

We hope everyone enjoyed their World Teacher's Day brekky this morning, it is greatly deserved. Thank you to all FHS staff, the work you do does not go unnoticed!

A big thanks to Brian, Gerard, Bernadette, Kaylene and the STOMP team.

Leadership camp 2020

I would like to congratulate Jemma Coombs who has been selected from over 100 applicants to be a change agent (leader) at next years National Youth Summit in Sydney. Jemma was an attendee at this years summit and was successful in her application to return, this time as a leader. Well done Jemma.

High School Transition

This time of the year is very important in preparing for our 2020 Year Seven cohort. Finley High School will be holding two days for our Year Six students to attend in preparation for their transition to high school. There will be a Taster Day, to be held on Thursday 14th November, and an Orientation Day on Tuesday 3rd December. Students will attend Finley High School for the whole day on both occasions.

There is also a parent transition evening on Wednesday 6th November from 6-7pm. This will be an opportunity for parents to find out more about Finley High School and ask any questions. Currently we have groups of students coming through the school in readiness for 2020. If you have any questions regarding enrolment or transition please don't hesitate to call Mrs M Jackson (Year Advisor) or Mrs Jodi Brown (Student Support Officer).

Bully Zero Foundation Visit

Our executive staff will be attending a workshop run by the Bully Zero Foundation on Monday 11th November. The workshops will focus on Cyber Safety and Bullying prevention. The Foundation has been featured on all major TV stations and newspapers. There is a parent workshop from 6.30pm - 8pm on Monday 11th November at Finley Public School. I would encourage all parents and carers to attend the session. A light supper, as well as tea and coffee will be provided. If you are able to attend, please RSVP to Finley Public School office on (03) 5883 1135 for catering purposes.

Show Team

Once again the Finley High School show teams have been out and about at local shows, Benalla, Numurkah and Cobram. What I have seen at these shows is not only our wonderful students parading cattle and sheep but our contribution to country shows in general. Often we have the most cattle and paraders and this contributes to the show in general. I often wonder where our country shows would be without Finley High School. I thank Robyn O'Leary, Gary Webb, Michael O'Leary, Nicole and Gordon Close as well as Jenny and Brian O'Hara. It has been especially great to see our practicum students leading cattle around. What a great initiation into country life.

Pictured above: Some of our wonderful students from the Ag Show Team.

Communication with the school

There's a game we often play with students at camps called 'Chinese whispers'. The aim of the game is to highlight the importance of a clear message and how messages can be twisted and manipulated, sometimes by mistake, sometimes on purpose. In my position I hear a lot of rumours and stories about what is happening at the school, many of which are humorous, some very frustrating. If you have a concern or question please don't hesitate to make an appointment to see Mrs Jackson or myself, or call the school to speak to us. I'm available on most days from 8am to 5pm. We also have a very active and caring P & C who meet once a month. Mr Jones does a fantastic job as President and is also very approachable. Our aim, as always, is to put our students first to ensure we provide them with the best education possible.

Mr Jeff Ward
Principal

Student Teachers

These are our enthusiastic student teachers who are with us for most of Term Four. They are taking the opportunity to see what a rural school has to offer.

L-R: Tom Atkinson, Abi Prabahar, Evie Podlick and Daniel Bale.

Show Success

We've had a fantastic three shows over the last eight days with many students from the show team involved. They conducted themselves in an exemplary manner and we received many compliments from other exhibitors and the general public on the quality of both our students and our livestock. The students and families should be very proud.

Our bull, Percy, was the Supreme Exhibit of the Show at Benalla and the Grand Champion Bull at both Numurkah and Cobram. Our steer, Quest, at eight months old was the Supreme Exhibit on the hoof at both Numurkah and Cobram Shows. At Cobram our ewe was Supreme Sheep of the show. Many students had the opportunity to hold the Melbourne Cup which was being exhibited at the show. Three of our student teachers, Tom Atkinson, Evie Podlick and Abi Prabahar attended these shows to assist staff and students. At Benalla and Numurkah Shows, Tom placed 2nd in the adult handlers class. At Cobram, Evie place 2nd in the Handlers class and Ms Gear, who also attended, placed 3rd in the same class.

Back L-R: Riley Kleinschmidt, Sophie Griffiths, Hayley Palmer, Elle Rochford, Shiane Mason, Georgia Lunn, Niamh Mason, Alison Kleinschmidt

Front: Claire Ingram and Caitlin Griffiths

Left: Evie Podrick practicing her leading skills.

Right: Tom Atkinson being instructed by Elle Rochford on how to lead a heifer.

Dairy Show Team

The Dairy Show Team have had great success recently at the Royal Geelong Show and Cobram Show.

Left: Chelsea Alexander leading her Ayshire heifer, Annie.

Below: Dela Gargaro, Melina Tidcombe, Jess Hanmer, Tamzin Bell and Chelsea Alexander with Peggy who won Reserve Junior Champion

Left: Dairy Show Teams extensive sash collection.

Deniliquin Proud and Deadly Award 2019

Congratulations to the following students who received awards at the Deniliquin Proud and Deadly Awards on Wednesday 30th October.

Andrew Neessen – Academic achievement, Attendance (attended 90% or more) and completion of Year Twelve

Expressions of interest

FHS Canteen

Due to the impending retirement of a team member, the Finley High School P&C are seeking to employ a suitable person to fulfil the role of canteen coordinator.

This position is a job share position, operating on a 6 day per fortnight basis during the four terms of the school year, totalling 40.5 hours per fortnight.

The suitable person would need to be able to work as part of a team with the existing canteen coordinator as well as volunteer helpers. The role also has times of working solo.

Duties include:

- Food preparation.
- Counter sales.
- Stock ordering.
- Stock reconciliation
- Banking.

Experience is not essential as training is provided.

The successful applicant would need to already possess or have the ability to obtain a working with children check and a food handling certificate.

Please send your expression of interest to fhspandcassociation@gmail.com by 30/11/2019

For any further information please contact Paul Jones on 0417 463 083.

Fish Tank and Table and Chairs available

We currently have a fish tank and a large square table with 8 chairs that we no longer require. If you are interested in either of these items please contact the school with an expression of interest.

NSW Southern Region

ASSISTANCE AVAILABLE

Updated 1 September 2019

RFCS Services the NSW Southern Region

Free Confidential Professional Service

- Assessment of your current financial position
- Business planning and reaching your goals
- Helping to prepare for succession planning
- Cash flow budgeting & forecasting
- Information and assistance with government programs
- Assistance negotiating with financial institutions

TRANSPORT SUBSIDY

This subsidy covers 50% of the transport costs associated with transporting stock to and from agistment, stock to sale or slaughter, transport of water and transport of fodder for stock, farm chemicals, fertiliser and seed.

- Between 1 July 2019 and 30 June 2020, eligible farmers can claim up to \$40,000 per farm business.
- The subsidy covers up to 50% of the full cost of freight with a cap of \$5 per kilometre (+GST).
- There is no cap on kilometres per journey for tax invoices paid between 1 July 2019 and 30 June 2020.
- You must be able to demonstrate that you are the owner of a farm business in NSW, the business is impacted by the drought, that the business is registered with the ATO and has an ABN. Business must earn more than 50% of their gross income from the farm under normal seasonal circumstances.
- Payments will be made upon receipt of eligible tax invoices.
- You need to submit your most recent Local Land Service rate notice and shire rate notice.
- If you are an owner driver you can claim per kilometre. Rates are based upon the size of the vehicle (Gross Vehicle Mass).

www.raa.nsw.gov.au

ANIMAL WELFARE TRANSPORT ASSISTANCE

This is a subsidy for the transport of livestock that have little or no feed/water available, where your enterprise is in significant financial need, animals are at significant risk in terms of animal welfare and the animals are leaving the property permanently.

- The rebate is up to 50% for the transportation costs and you can claim up to \$20,000 per financial year, per farm enterprise.
- You can apply for this subsidy if you are in receipt of the Farm Household Allowance or an eligible client of the Rural Financial Counselling Service.
- The animals must be a fat score of 2 or below.
- Claims for this rebate must be submitted no later than 6 months after the stock movement.
- You must complete an application and provide invoices for proof of movement.
- You need to supply copies of LGA and LLS rate notices.
- If you are an owner carrier you must supply a copy of vehicle registration papers and log book entries.
- If this assistance is used in conjunction with the Transport Subsidy up to \$50,000 may be available.

ASSISTANCE AVAILABLE

Updated 1 September 2019

DROUGHT ASSISTANCE FUND

This is an interest free loan of up to \$50,000. The loan term is for 7 years with the first 2 years repayment free. There are no ongoing fees or charges. You have the choice of monthly, half yearly or annual repayments.

You need to submit an application form and the following documents:

- Copy of most recent shire rates notices
- Copy of most recent Local Land Service rates notice
- Most recent Individual Tax Returns
- Most recent Partnerships & Business Tax Returns
- Financial Reports
- Monthly cash flow budget for the next 12 months
- Existing Mortgage Consent Form

This loan can be used for:

- Activities which promote profitability and resilience as a result of on farm investment
- Transport of livestock, fodder and water
- Water infrastructure such as new or the upgrading of stock and domestic water, desilting dams, bores, tanks and troughs
- Fodder infrastructure such as haysheds and silos
- Banking of genetic material

FARM HOUSEHOLD ALLOWANCE

The farm household allowance is offered by Centrelink.

It is to help the household by putting food on the table and other household expenses. You can be in receipt of the Farm Household Allowance for a maximum of 4 years and can cease when you need to.

To be eligible you need to be a farmer and in financial hardship.

- Your assets need to be less than \$5 million and off farm assets of less than \$387,500 couple combined and net.
- The amount you receive each fortnight depends on details in your application
- Up to \$80k off farm income can be offset against interest paid
- Applications can be lodged if farm and off-farm assets are above the cut off amounts of \$5 million and \$387,500 respectively under an asset hardship clause. You will need to complete an additional available form and must qualify under Social Security Laws
- One of the conditions of being on FHA is being involved in a Financial Improvement Agreement, that involves activities designed to improve the financial position of your enterprise.

www.humanservices.gov.au/individuals/forms/su694

DROUGHT LOANS

Drought Loans of up to \$2 million dollars are available from the Regional Investment Corporation (RIC). This scheme commenced with RIC on 1 July 2018.

- Loans are available at a concessional variable rate of 3.11% (from 1 August 2019)
- The first five years are interest only repayments, then principal and interest for the remainder of the 10 year term. After 10 years the balance must be repaid or refinanced with a commercial lender.
- Farmers with existing government loans will be able to refinance to take advantage of the interest-only concessional period
- Loans can be used to refinance existing debt (upto 50% of bank debt) or borrow additional funds for operating expenses, capital expenses or purchasing feed and fodder.
- 50% of the total debt must remain with a commercial lender.
- You must include a twelve month cash flow budget with your application

www.ric.gov.au | 1800 875 675

FARM INNOVATION FUND

This loan is for farm infrastructure improvements that will benefit your farm. The primary categories for the works to be carried out are:

- Drought preparedness
- Environment
- Farm Infrastructure
- Natural Resources

- From 1 July 2019 the maximum amount available is \$1 million. You can re-apply for another loan in 12 months and has a loan term of upto 20 years
- The interest rate is a fixed rate available from the date of your application
- Repayments can be made monthly, half yearly or annually.
- You need to submit the following forms with your application:
 - Balance sheets & Financial statements from the last 3 years
 - Individual & Partnership Tax Returns from the last 3 years
 - Current Assets and Liabilities financial statements
 - Monthly Cash Flow Budget for the next 12 months
 - Farm Business and Risk Assessment Plan
 - Copy of the latest Shire rates notice
 - Copy of Local Land Services rates notice
 - Mortgagee Consent from your bank

www.raa.nsw.gov.au

www.rfcsnsw.com.au | admin@rfcsnsw.com.au | 1800 319 458

EMERGENCY WATER INFRASTRUCTURE REBATE SCHEME

- Eligible Primary Producers can claim a rebate of 25% of the cost of purchase, delivery and if applicable, the professional installation costs to install water infrastructure for animal welfare needs.
- The on farm Emergency Water Infrastructure Rebate Scheme can be applied to costs incurred from 1 July 2018 for new purchases and installation of pipes, water storages, water pumps, de-silting dams and associated power supplies such as generators.
- This rebate applies to the purchase and installation of emergency water infrastructure for livestock permanently residing on your property and not part of an agistment.
- You purchase and install the water infrastructure for animal welfare needs, because:
 - Water is currently being carted or about to be carted to your property to supply stock where water has run out;
 - Your property could be reasonably be expected to run out of water before the next expected inflow of water; or
 - The work will help to ensure that stock water is available into the future during adverse seasonal conditions.
- The maximum that can be claimed is \$25k per farm enterprise. The availability of the rebates is subject to funds being available.
- No rebates will be offered beyond the allocated funding of \$12 million or 30 June 2021, whichever occurs first.
- If you have applied for the Drought Assistance Fund loan for any water infrastructure, you can apply for the Water Rebate for the works carried out. The rebate will be paid into your nominated bank account and should you choose to you can then make an extra repayment on your Drought Assistance Fund loan.

www.raa.nsw.gov.au

RURAL FINANCIAL COUNSELLING SERVICE

How do we help?

Our counsellors are experts in reviewing and analysing financial information. Together we work on understanding your current financial position, work with you on strategies & assistance so can make an informed decision on what lies ahead.

We will work with you to build cash flows, forecasts and develop budgets, review loans, help to refinance debt and develop bank relationships that may be fractured. Keeping communication lines open can aid in achieving better outcomes.

We work with families to set up the foundations for succession planning and where to find help to keep your family happy and together.

We are **FREE!** We are supported by the Australian Government through the Department of Agriculture.

We can come to you at your property.

We help - Primary Producers, Fishers, Foresters & small regional business.

Our counsellors (RFC's) are seasoned professionals with backgrounds in agriculture, banking and finance.

We are bound by strict confidentiality agreements.

Our RFC's come from and live in the areas they service - so they have local knowledge.

PARENT INFORMATION

What is bullying?

Bullying is when an individual or group uses its power and strength to repeatedly, deliberately and intentionally use words or actions against another or a group that hurts, threatens, excludes, harasses, humiliates verbally, physically, psychologically or electronically making the victim feel oppressed, traumatized and powerless.

What is cyberbullying?

Sending abusive texts, stalking, making threats, abusive emails, posting unkind messages or inappropriate images on sites, intimidating and deliberately excluding others online.

What bullying is not

- Disliking someone.
- Bad moods/ arguments/ being "bossy".
- Accidental or once off incidents physical harm.
- Telling a joke about someone once.
- Not playing with someone or choosing different people/ groups to play with.

Traditional Bullying

VS

Cyberbullying

- Face to face.
- Can find a safe space or escape.
- Limited to onlookers.
- Bully can be identified.
- Can see facial and body reaction of target and onlookers.

- 24 hours a day, 7 days a week, 365 days a year.
- No safe space- hard to escape.
- Shared by a wide audience, can go viral in a matter of seconds.
- Bully can be anonymous.
- Harder to empathize with the target.
- No geographical limitations.
- The target can easily become the bully.

Cyberbullying

As a parent learn the language, play the games, research the apps they use, role model positive behaviour but don't ban devices.

Encourage your children to:

- Be critical thinkers.
- Have empathy for others.
- Respect themselves and those around them.
- Take responsibility for their actions.

- Be resilient.
- Remove technology from the bedroom.
- Talk about being safe online.

HELP AND RESOURCES

If you are experiencing violence or threats of violence, immediately report the incident to police.

Information Sessions for Parents, Carers and interested professionals

Supporting Children and Young People in Drought Impacted Communities

Loss at any time in life can be challenging. At Good Grief, we develop and support a range of evidence-based loss and grief education programs that help children, young people and adults to understand their experience and attend well to their grief following major loss experiences.

The drought brings many changes and losses for children, young people and families in the Murrumbidgee community and more broadly. Concerns are often raised about the impacts and how we may best support children and young people.

COMMON QUESTIONS ARE:

1. What is the impact of prolonged drought for wellbeing of children and young people?
2. What are normal and natural reactions for children and young people?
3. How can I best support the children and young people in my care?

ATTENDEES WILL HAVE THE OPPORTUNITY TO LEARN ABOUT:

1. Children and young people's reactions following significant life events;
2. The Seasons for Growth approach to understanding and supporting children and young people following significant life experiences;
3. Practical strategies to support children and young people;
4. Caring for yourself;
5. Questions and answers, networking.

VENUE: RSL Club, 72 End St, Deniliquin NSW, 2710

DATE: 13 November 2019, 5.30 - 7.30pm

Good Grief will also provide training to enable professionals working in schools and community organisations to facilitate the Seasons for Growth Children and Young People's small group program with children and young people. Seasons for Growth provides a safe learning environment for children and young people where they can give voice to their experiences, understand their feelings, learn skills to adapt and recognise 'I'm not the only one'.

FOR MORE INFORMATION on Seasons for Growth, visit www.goodgrief.org.au

This initiative is funded by from Murrumbidgee Primary Health Network through the Australian Government's PHN Program and Empowering Communities program.

If you are interested in attending the session, please email karen.muir@goodgrief.org.au
