Body Worlds Vital Exhibition, MCG Tour and National Sports History Museum

On Monday 12th November 2018 a group of eighteen students were lucky enough to attend an excursion to Melbourne. Students invited were from the Years Nine or Ten PASS class or Year Eleven PD/H/PE. Our first stop was the Bodyworlds Vital exhibition at the Melbourne showgrounds. The exhibition gave students an opportunity to explore the mysteries of the human form. With a focus on preventative health management and the connection between a healthy lifestyle and your physical well-being.

Our next stop was the MCG where we were able to set up for lunch, and be guided around by Marv, one of the talented tour guides who knows the ins and outs of the MCG and it's rich history.

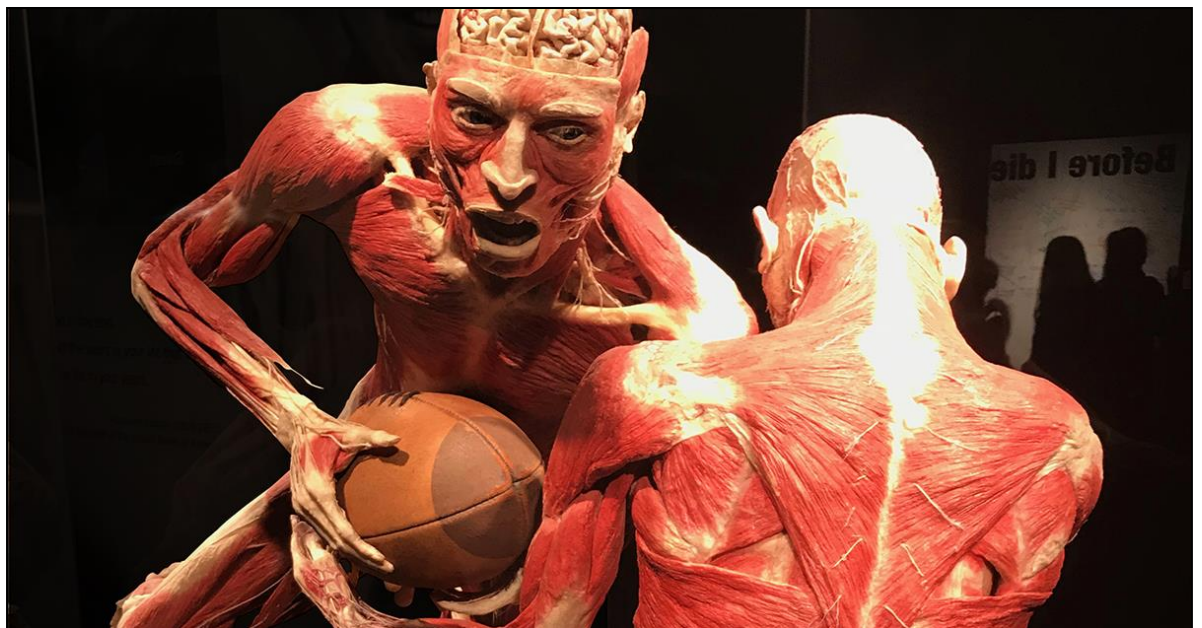

Above: back L-R Aidan Fennell, Lily Sharp, Will Sexton, middle row L-R Andrew Neessen, Luke Bramley, Duncan Clarke, Ben Neessen, Glen Dilullo, Mr Maxwell, Holly Robinson, Tiarna Burke, Abbey Marshall. Front L-R Miss Philpot, Taylor Kleinschmidt, Nicola Denny, Meg Marsden, Alistair Bear, Justin Lawton, Brad Aylett and Zander Nash at the MCG.

Finally, we were taken down into the National sports museum where we browsed through some famous sporting memorabilia and were able to engage in lots of interactive workshops.

Special thanks to Mr Maxwell and Miss Philpot for the day.

Principal's Report

It was an absolute pleasure to speak and acknowledge all the great student achievements at Finley High School's Term Four Formal Assembly. I congratulate all the award winners and performers. Special mention goes to:

The drama performers: Cassandra Renneberg, Jackie Sharp-Shorney, Lillian Kernaghan, Allyssa Thornton, Sarah Orro and Vamos Patu.

The Year Seven students who presented 'GetFed!': - Liam Rafferty, Travis Lawton, Lenny Dattoli, Harrison King and Matthew Whelan

Musical performers: Thomas Apps, Tayla Adams, Sarah Orro and Isabella Jackson

I was extremely impressed to be part of a fantastic assembly, where the students were highly attentive and respectful of their peers. Thanks to Mrs Dempster and Miss Geeves for their efforts in ensuring the assembly ran efficiently.

Proud and Deadly Awards

A very special day for Aboriginal students from all of the schools was held at Deniliquin High School on Tuesday 20th November with the annual Proud and Deadly Awards. The Proud and Deadly awards acknowledge the achievements of our Aboriginal students across a broad range of areas. Well done to Theodora Miaoudis who was one of the two MCs for the event. Congratulations to the following students:

Shianne Mason – Citizenship

Ben Neessen – Outstanding achievement in sport

Tayla Adams – Outstanding achievement in performing arts/creative/visual arts

Theodora Miaoudis – Student leadership Award

I would also like to acknowledge the following students who attended and celebrated the day. Dakota Cracknell, Hugh Burton, Talon Stevens, Shannon Nielson and Courtney Cox. Also to Mr Maxwell for his work and dedication to Aboriginal Education.

Benjamin Ashley-Cooper Victor Chang Cardiac Research Award Recipient

I extend a huge congratulations to Benjamin Ashley-Cooper who was the School recipient of the Victor Chang Cardiac Research Award. Ben was nominated by the school for his excellent achievements in Science throughout Year Eleven. Victor Chang was a leading figure in the area of heart research, innovation and surgery until his death in 1991. In 1994 the Victor Chang Cardiac Research Institute was established. The Victor Chang awards recognise the high achievement of Year Eleven public school students in the disciplines of Science.

Congratulations Larshya Sutharsamohan

Sixteen of our Year Seven students participated in a trial program where they were given access to Education Perfect, an online learning platform. Part of this access allowed the students to participate in the Education Perfect, Science Championships. This is a global competition and is available to any student who subscribes to this program. Larshya Sutharsamohan attained a silver award as she was placed in the top 5% of 90000 competitors worldwide. This is an outstanding achievement. Well done Larshya.

Farewell Ms Marten

This week we farewell Ms Deb Marten. In my short time here I have been most impressed with Deb's commitment to the students, the SRC and Finley High School. A couple of weeks ago we dedicated a page to Ms Marten, who first arrived here in 1989. When asked "What will you miss most about Finley High School" Deb commented that she will miss working with fun, kind, caring colleagues who really have supported her over her time at Finley High School and the students she teaches. This sums up Deb and we wish her well in the next phase of her life and career. Deb's farewell message to Finley High School? This is a great school with so much opportunity for students and teachers alike; we really are blessed. My message for the students of Finley High School: take every opportunity given to you, step out of your comfort zone and see the broader world but appreciate what you have right here. Be the very best version of you that you can be every day, and be kind.

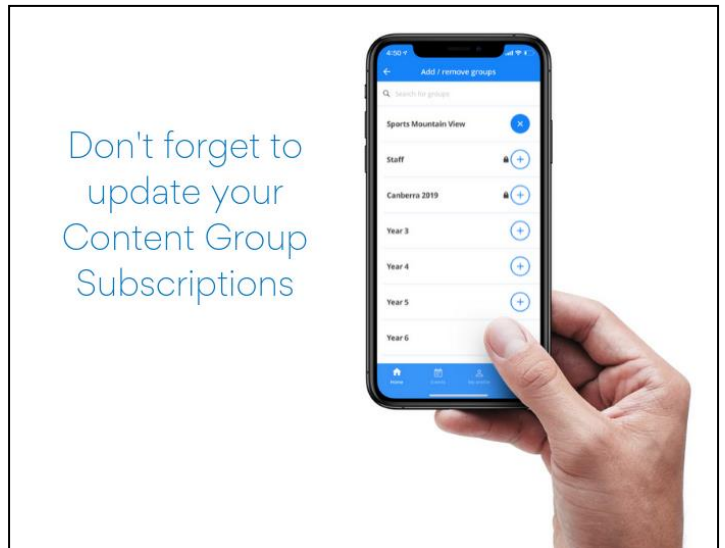

Girls Advisor

Congratulations to Mrs Amy Baxter our new Girls Advisor. I know Amy is looking forward to working with the girls and providing a number of engaging programs to support them.
